- Investments and loans within Sections 558 and 561 ITA 2007

Qualifying investments for the purposes of Section 543 ITA 2007 are listed in Section 558 ITA 2007.

Qualifying loans for the purposes of Section 543 ITA 2007 are listed in Section 561 ITA 2007.

Any loan or other investment not specified may be accepted where the charity makes a claim to HM Revenue & Customs Charities for it to be treated as qualifying, and the loan or other investment is made for the benefit of the charity and not for the avoidance of tax (whether by the charity or any other person). If HM Revenue & Customs Charities cannot agree the claim, you have the right of appeal to the Tax Tribunal.

If all investments and loans are qualifying investments and loans because either:

- they are specified in Sections 558/561 ITA 2007, or
- the charity has either claimed (with this tax return or separately) that they are under Section 558 Type 12 or Section 561(3)(d) ITA 2007, or is prepared to do so on request, put an 'X' in this box.

For a claim for qualifying status to succeed, the loan or investment must be made for the benefit of the charity and not for the avoidance of tax. Claims should be in writing and specify:

- the nature of the item (for example, loans or shares)
- the amount
- the period
- the section of ITA 2007 under which the claim is made.

It is helpful if a claim includes full details (for example, the terms of a loan).

- Investments and loans made outside Sections 558 and 561 ITA 2007

box 7.38 If the charity has made any investments or loans which do not fall within Section 558 or 561 ITA 2007 and no claim is to be made with this tax return, enter the total of such loans or investments in box 7.38.

- Subsidiary companies

box 7.39 Do not include details of companies that were dormant during the period covered by this tax return.

Restriction of relief for non-qualifying expenditure

Where a charity incurs non-qualifying expenditure, relief under Sections 524 to 537 ITA 2007 and Section 256 TCGA 1992 may not be available. This includes situations where a charity makes non-qualifying investments or loans.

The charity should attach a calculation of restriction of relief under Section 540 ITA 2007 and send it with this tax return. If you need help with this calculation please contact the HM Revenue & Customs Charities helpline on **0845 302 0203**.
