

Fill in these pages if, during the period (or periods) for which a Partnership Tax Return is needed, the partnership had:

- interest, dividends or other income from savings or investments abroad
- income from land and property abroad
- any other income from sources outside the UK (except foreign income earned in the course of the partnership trade or profession – include this in the 'Partnership Trade and Professional Income' pages, instead)

If you want help look up the column or box numbers in the notes.

For help filling in this form, go to www.gov.uk/taxreturnforms and read the notes and helpsheets.

Income from land and property abroad

If you had income from furnished holiday accommodation in a European Economic Area (EEA) country, please enter the details on a separate 'Partnership UK Property' page, not on this page – read the notes.

Fill in one page PF 3 if the partnership had only one overseas let property, or it had more than one but all overseas let properties were in the same country and all the income was remittable, or it had more than one and they were in different countries but there was no foreign tax deducted and all the income was remittable.

If any of the income was unremittable or the partnership had overseas let properties in different countries and some foreign tax was deducted, you must fill in a copy of page PF 3 for each property letting. (Take copies of page PF 3 before you start or go to www.gov.uk/taxreturnforms for more copies of the 'Partnership Foreign' pages.) Please put the partnership name and tax reference next to the address box on each copy. If you are using page PF 3 to return income from more than one property, please use the address box below for the first property and the 'Additional information' box, box 2.35 on page PF 4, for the addresses of the other let properties.
